

THE PRESIDENT OF THE REPUBLIC OF MOLDOVA

For Public Association „MAX Face Posibilul”,

Ialoveni city

Dear members of the "MAX Makes Possible" association,

Thank you for the important work you are doing in recent months by providing support to refugees from Ukraine after their country was engulfed in war. I appreciate the dedication that you have given your resources, time and energy to help these people - mainly women, children and the elderly - who are far from home against their will.

With your generosity, care and openness, you offered the refugees a hospitable and warm stopover in Moldova, a safe haven in our country. Thus, we have shown that we are a small country, but with a big heart.

The generosity of Moldovan volunteers has become known and appreciated all over the world.

The exemplary mobilization and organizational skills shown by you and our citizens during this period give me hope.

I firmly believe that together we can change our country for the better! We can build a free, peaceful and prosperous society here, a hospitable and warm place, a corner of paradise where everyone wants to live and build their future.

I thank you from the bottom of my heart!

With appreciation,

Maia SANDU
